WHO WE ARE & WHO WE WANT TO BE

We want to be a church where **God matters**; a place where people can grow, where we glorify God and enjoy Him forever.

Like the first followers of Jesus we want to worship, learn, connect and reach out to others with God's love and truth. We want to be people like this individually and as a community.

If you want to know more about Jesus or know more about MacChap - please chat to someone, complete a "Connect Card" (found in the pews) or send us an email.

NEW MINISTER - SELECTION COMMITTEE UPDATE

The selection committee has met five times in the past three months. We began by developing a profile of the type of minister that MacChap needs and then we identified a group of about twenty ministers who fit this profile. These twenty were narrowed to six and then to four ministers. The committee is now doing detailed study/research on these ministers (i.e listening to their sermons on the internet). At our next meeting in May the committee will develop a plan to visit the churches of the ministers that we are most impressed with. We expect that we might be able to ask the best candidate to visit us in a couple of months. At that point, the whole congregation will have the opportunity to meet him, hear him preach, and ask him questions.

Please pray that God would guide us to the right person.
