Who we are & who we want to be

We want to be a church where **God matters**; a place where people can grow, where we glorify God and enjoy Him forever.

Like the first followers of Jesus we want to worship, learn, connect and reach out to others with God's love and truth. We want to be people like this individually and as a community.

If you want to know more about Jesus or know more about MacChap - please chat to someone, complete a "Connect Card" (found in the pews) or send us an email.
