BREAKING THE SILENCE

The new Breaking the Silence On-line training is now available at the following link: <https://jerichoroad.org.au/breakingthesilence/resources/training/online-training/>

As the majority of us are now due for our 3 yearly training, please take the time to get it done asap so you are familiar with the most up to date information, and covered for the role/s you volunteer in at MacChap.

For those who recently completed the 2015 version of training, there will be a top-up version of training available next year that covers the new material.

Thank you in anticipation and please let Juli know if you have any questions.

We want to be a church that **imitates Christ**; a place where people can grow, where we glorify God and enjoy Him forever.

Like the first followers of Jesus we want to worship, learn, connect and reach out to others with God's love and truth. We want to be people like this individually and as a community.
